Frimley Lodge Miniature Railway

The railway is situated in the Green Flag Award winning Frimley Lodge Park, alongside the Basingstoke Canal. The 1 km track runs through the wooded and open areas of the park and has been operating since 1991.

The railway is run by the members of Frimley and Ascot Locomotive Club. Everyone involved is a volunteer.

The railway is open to the public on the first Sunday of each month from March to November. There is also a range of special events during the year. Our timetable contains full details and is available at the railway or online.

On public running days there are normally up to five trains running. Some members bring their own locomotives, many of which are truly masterpieces of miniature engineering. Together with locomotives owned by the club, a wide variety of steam, ‘diesel’ and electric locomotives can be seen operating.

In addition to the main ground level track there is a raised track where members will often run smaller locomotives.

Frimley Lodge Park

Frimley Lodge Park is a 60 acre site owned and managed by Surrey Heath Borough Council. In addition to Frimley Lodge Miniature Railway, the park boasts a range of facilities for all ages and hosts events for all the family. There are lots of open spaces and woodland, picnic areas, two children’s playgrounds, a trim trail and meadows. In addition there are football and cricket pitches and a pitch and putt course.

Basingstoke Canal close to Tom’s Halt.

Club Activities

Frimley and Ascot Locomotive Club has a thriving membership, both male and female, with a wide range of ages, experience and skills. On Wednesdays and Sunday mornings members meet at the track and get involved in a wide range of activities as diverse as gardening, fencing and general site maintenance to construction and maintenance of the track, locomotives, rolling stock and buildings, and even electronics. When passenger trains are running members help out with all the activities needed to run the railway: these include guards, drivers, signalmen, ticket office and station duties. There are also extra railway fun events including Halloween and Santa specials.

Members benefit from regular club running days, social events and day trips throughout the year.

New members are always welcome. The minimum age for joining is 16 years. You do not need any experience as most activities and skills can be learnt from other members of the club. Please speak to a club member, at the railway, or contact the club online for more information, the details of which can be found on the back page of this brochure.
FLMR Locomotives

Pictured below are a selection of locomotives that are likely to be seen on a visit to Frimley Lodge Miniature Railway.

7¼ inch gauge NER T1 Class 0-8-0 Titan.

7¼ inch gauge LMS Class 5 4-6-0 45231 and BR Class 2 2-6-0 78015.

7¼ inch gauge Hunslet narrow gauge saddle tank 0-4-0 Nellie Madora.

7¼ inch gauge narrow gauge diesel 0-6-0 Harlech Castle.
